Established in 1996, and now located at 6850 Norton Pines Drive, Spring Lake, MI 49456, Extra Innings is recognized as the premier baseball and softball training center in Muskegon County. Our custom-built 12,000 sq. ft. building with 25 ft. ceiling height serves all of your baseball and softball needs. Our professional instructors will help take your game to the next level.

PRO SHOP

The Extra Innings Pro Shop is the one-stop shop for all of your team and individual baseball and softball needs. We offer our customers the latest and widest selection of baseball and softball equipment and apparel available today at the lowest advertised price. We have all of the bases covered from bats and gloves to batting gloves, equipment bags and the latest training aides from the world's best manufacturers. Our knowledgeable and experienced staff makes equipment recommendations based on careful consideration of the customer's individual needs. League and team discounts are available, so swing on by and let the experts "gear you up" for the season.

TRAINING CENTER

Extra Innings offers year-round indoor and outdoor professional baseball and softball instruction. Our staff uses a uniform step-by-step teaching system to encourage positive progress in our students. No gimmicks, no celebrities, just serious professional instruction. The staff includes former and current professional players, college all-stars, college and high school coaches.

MULTI-USE TUNNELS

The seven multi-use batting tunnels each have a pitchers mound and an adjustable pitching machine for use. The tunnels are rented out by the half hour and full hour to the public or used weekly by the members of the facility. Reservations are taken and recommended for tunnel use. The tunnels are each 70' long, 15' wide and 20' high which allows for greater mobility and ball travel than the standard batting tunnel. The multi-use tunnels are fully turfed, and are separated by sliding nets that can be pulled back to make an open field area for clinics and fielding instruction.
